AUTOHAUS RV

AUTOHAUS RV

From the solid and reliable Ford Transit base, to the high level of specification which comes as standard, this two-berth high-top conversion sets new standards in driveability and practicality. This New Zealand-built motorhome is sure to impress.

All AutoHaus models feature the following specification as standard:

- Ford Transit Custom LWB Auto
- Alloy wheels
- Swivel passenger seat
- NZ Sat fully automatic satellite dish
- 19" inch TV/DVD, Freeview decoder
- Dometic 2-burner gas hotplates and sink
- Microwave oven
- Dometic 110L 12v/240v compressor fridge
- 100 watt solar panel
- 110 amp hour house battery and battery management system
- LED Lighting
- Horrex blinds and fly screens

- Shower and cassette toilet
- 20L Truma combination gas/230v water and space heating
- 88L fresh water tank and 81L grey water tank with level indicators
- Fully self contained
- Whale gas blown air heater
- Whale gas/230V water heater

Options include:

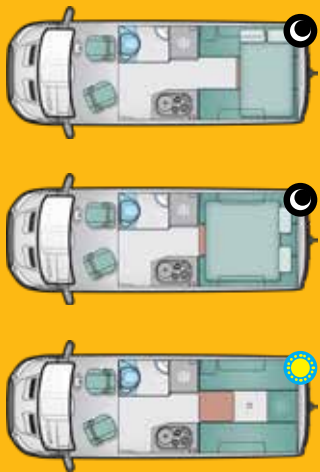

- 3 layout options (café seating, single beds and U-shape lounge)
- Huge choice of internal furnishings
- Roll-out awning
- 22" TV upgrade
- Solar upgrade with MPPT regulator

Three layout options to choose from...

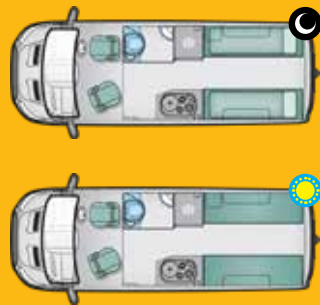

U-Shape

The U-shaped design features a daytime rear lounge which converts easily into a transverse double bed with the use of a separate base and infill cushion. The second table position enables users to leave the double bed made, whilst still having a table at hand.

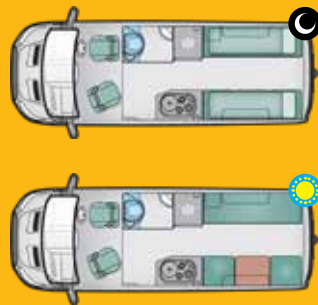

Single Beds

The traditional two single bed layout offers plenty of daytime seating and the convenience to quickly convert the generous settees into single beds at night.

Café Seating

The all new single dinette layout is ideal for the single traveller or couple alike. The daytime dinette offers comfortable seating for two, whilst quickly converting to a second single bed at night.
