Want to relax at NZ's great campsites and enjoy the extra space that a slide out offers? Well this is the motorhome for you.

Built in and for the hot weather with Airconditioning, louvered windows and a big shade awning for outdoor R&R, you'll keep cool as a cucumber regardless of what NZ summer throws at us (even without the Australian snakes, crocs or kangaroos).

It'll also keep you warm and dry in winter with its Webasto Diesel heater on those unpredictable 4 seasons in one day while you watch TV, entertain or read.

Surplus to requirements by the busy folks who bought it off us 3 years ago, its ready for its next loving owners who will take advantage of its low kms and barely used condition. We don't get many movans like this here as we generally sell Kiwi built ones, so don't delay or you could miss out on what is one of the most popular Motorhomes in Australia since their inception in 1965.

The amazing feature of this motorhome is the slide-out wall on the drivers side.

Around 3200mm long, contains the dining alcove and the double bed and it moves them outwards around 600mm, turning the interior from a corridor into a dance floor. It is surprising how much space this extra width creates.

Interior height 1973mm
Gas LPG2 x 4kg bottle
150w solar panel
22 inch Tv
KingQuest Auto Satellite Dome
Dometic 2kw airconditioning
