Towing Stability:	Standard AL-KO ATC and shock absorbers give it well-behaved towing characteristics on the road.
Safety Gear:	AL-KO ATC (Trailer Control System) and AL-KO stabilizer fitted as standard.

Would you like the creature comforts of a rear bathroom, Island Bed Model quality caravan, but don't have the tow capacity for a NZ or Australian built one, or the budget for a new one? Then look no further. This value for money deceased estate caravan is extremely well looked after and hardly used. Save tens of thousands off new pricing!

The 2022 Coachman Acadia 575 is a well-regarded, 4-berth, single-axle touring caravan featuring a popular transverse island bed layout and a full-width rear bathroom.

It combines Coachman's high build quality with a lighter single-axle weight, an Alde wet central heating system, and stylish modern interiors. Layout & Practicality: The transverse island bed can be pushed back during the day to maximize floor space and ease access to the rear washroom, then pulled out at night for extra length. The front couches convert to a double bed or twin singles for young kids.

Build & Finish: High-end cabinetry, contemporary light wood tones, marble-effect worktops, and a high level of standard equipment (including an alarm and exterior BBQ/mains points).
