A moderate 98,859 kms for a Mercedes Sprinter - these RWD, chain driven commercial diesels do many more

Not only versatile in size (6.6m), but in nature with is drop-down bed over the Panoramic window U-shaped lounge area at the back
Designed for those who like the comfort and convenience of puling down the made up bed when you are ready to lay down,
or stow away when you want to dine or lounge about and look out at our beautiful country's scenery during the day
With 2 extra passenger seats and a lounge that can also become a bottom bunk double bed, it gives the option for 1-4 people to travel and make happy memories, without lugging around extra unused space and weight
Easy to park and maneuverer due to dimensions
Very robust and reliable thanks to Kea's stringent rental build requirements and a refined German engineered drivetrain and cab chassis

Well serviced & refurbished
1 year NZ wide guarantee
120w Solar panel
120ah battery AGM Deep Cycle
VSR and 230v charger
